

# Valve Cover Box VCB-1117

[www.aivaka.com](http://www.aivaka.com)

VCB-1117 is a customized 11 x 17 valve cover with a receiver for WB-100 or WB-200 (customer's choice) and a customized internal antenna.

VCB-1117 allows installing the system in a valve box flushed with ground.
